Shown with optional limousine-style windows

The Masterpiece Cadillac continues its heritage of design excellence. The Masterpiece's Commercial Glass styling creates a coach of timeless dignity with the roomiest interior in the industry. From any perspective, the chamfered roof line, distinctive padded vinyl top and traditional landau bow design create a look of unmatched elegance.

Sayers & Scovill has earned its preeminent reputation in the funeral coach industry through time-honored dedication to quality and durability. Since 1876, Sayers & Scovill coaches have integrated unparalleled comfort, peerless structural integrity and an uncompromised commitment to safety.

Accubuilt's unique, QUICK-ADJUST BIER PIN eliminates time-consuming twisting

Depressing the top button releases the tightening knob and shaft to fully open the Bier Pin.

Place the Bier Pin in one of the hexagonally-shaped holes.

Depress the top button and push the knob until the bier plate is close to the casket or Commemorative Carriage.

Tighten the quick-adjust knob to secure the casket or Commemorative Carriage in place.

Bier Pin in position.

To release, simply push the top button as before, and pull the knob to open the pin.

Bier Pin fully open.

Grasp and pull the Bier Pin straight up from its seated position and...

...it can be conveniently stored on the top of the wheelhouse panel.
